

Pleasant Park KinderDance

Registration Information

Dance Class Fun while at Pleasant Park

Jan's Dance Studio is bringing dance classes to Pleasant Park! In the KinderDance program we will work on spatial awareness, right and left identification, dancing and singing while learning about

a child's relationship to the world around them, collaborative learning, and working with props (scarfs, cones, etc.) to increase cognition in little minds! Class will meet Wednesday from 9:30-10:00 starting March 7th and is open to boys and girls age 3 and up. Students can wear clothes they have on for the day but tennis shoes are encouraged. Price for the 8 week session is \$65.00 with no registration fee. Get one activity done during the day and free up your night schedule!

Registration Information

To register for the 8 week session of KinderDance at Pleasant Park starting March 7th, please visit our website www.jansdancestudioinc.com and click on the "Pleasant Park" tab. You will be directed to our online registration portal where you will set up an account and will be able to pay by credit card or debit card.
